# *Search & Care*

HELPING OLDER PEOPLE *for* 50 YEARS

Search and Care, a non-profit, non-sectarian social service agency established in 1972, helps frail, primarily homebound older New Yorkers manage life's daily activities and access essential services.

By providing comprehensive care and companionship, we enable vulnerable older men and women to safely age at home, as long as is feasible, with quality of life and peace of mind. Since our founding 50 years ago, we have served nearly 20,000 clients living in Yorkville, Carnegie Hill, East Harlem, and the Upper Westside - always at no fee whatsoever.

The Yorkville Ball is an important source of funding for the vital fee-free programs and social services that Search and Care provides. We receive very limited public funding, relying almost entirely on private contributions.

Thank you for your support!
