FORTY-NINE YEARS OF HELPING OLDER PEOPLE TO LIVE AT HOME

SERVING

YORKVILLE • CARNEGIE HILL • EAST HARLEM
and The UPPER WESTSIDE

ANNUAL REPORT 2021

Dear Friends,

What a difference a year makes. The pandemic has continued to expose an ever-increasing number of frail, isolated, and homebound older neighbors. Thanks to the dexterity, professionalism and seasoned expertise of our staff, Search and Care is continually sought out to reassure and meet the myriad of needs at-risk older people throughout the Greater New York area are facing.

This year we are thrilled to add dedicated staff to address the needs of the Upper Westside of Manhattan's vulnerable older men and women. We are scrupulous in maintaining our standard of care for existing clients as well as meeting the needs of new ones. Being almost 90% privately funded allows our agency to innovate and act quickly to serve where attention is most needed. This is all thanks to you!

As Search and Care approaches our 50th anniversary this coming January 2022, we are humbled and grateful for your ongoing support. Thanking you for your faith in us.

Sincerely,

Orla Coleman

Spotlighting A Few Interesting and Valuable Services at Search and Care

“Talkin’ it Out”;

This informal telephonic counseling service (approximately 30 minutes per session) is provided by licensed social workers and has become especially sought out by older people who might not feel comfortable in a more formal counseling or psychotherapy environment, or speaking with family or close friends. The pandemic has created a surge of older adults feeling fearful and isolated with few others to turn to in their lives. Talkin’ it Out provides a safe and confidential opportunity to talk about concerns such as security, self-care, loneliness, isolation, bereavement, anxiety, depression, etc. For more than 60 clients who call in weekly, biweekly, or monthly, it has become comforting to speak with a caring social worker who is nonjudgmental, nonthreatening, and can offer the caller valuable resources/referrals when and where appropriate. There is no out of pocket fee for any Search and Care client who avails themselves of Talkin’ it Out.

Emergency Groceries, Hygiene, and Sanitary Supply Deliveries:

This valuable service continues into its second year after start-up support from Robin Hood Foundation, The New York Community Trust, FPA, and Wallerstein Foundation for Geriatric Life Improvement. When our clients face food insecurity—or perhaps cannot shop for essential hygiene and sanitary items due to limited resources and/or mobility issues—Search and Care tries to assist. Such emergency grocery, hygiene and sanitary needs have resulted in more than 1,000 orders/deliveries since COVID began in March 2020, and are often described by our older clients as a “true lifesaver.”

PET (Pet+Elders Together)

Search and Care's “Pets + Elders Together Program” helps older clients care for their pets without sacrificing their own needs. For many clients, a pet is their only source of unconditional love and attention. Without their beloved cat, dog, or other companion animal, their lives would be emptier. Our modest grants (food, medicine, upkeep items, and emergency vet care) help keep companion animals together with client pet owners for as long as is feasible. Our “Pet Brigade” of vetted volunteers help with dog walking, litter cleaning, etc. We also facilitate Saturday “Pet Pro Workshops” where professionals offer tips on pet care, training, behavioral concerns, animal health, and more. These workshops not only impart valuable information, but also offer opportunities for peer support, camaraderie, and socialization with other older pet parents.

LEGACY CIRCLE

Legacy Circle is a planned giving program that ensures Search and Care's programs and services will serve the next generation of vulnerable older adults in need. Commitments cost nothing and can be modified at any time as circumstances change. Gifts can be structured as bequests in wills or trusts, appreciated securities, as a beneficiary of an IRA, retirement plan or life insurance policy, a charitable gift remainder trust and/or a deferred gift.

Search and Care acknowledges with appreciation these Legacy Circle members:

Who We Are

Established in 1972, Search and Care seeks out older people who are increasingly frail, homebound, isolated, have few supports, and live on modest means.

Providing fee-free care, Search and Care helps clients manage life's daily activities and access essential services to ensure they can safely age in the comfort and familiarity of their own homes, with quality of life and peace of mind.

Since Search and Care's founding nearly 50 years ago, our agency has served more than 20,000 vulnerable older New Yorkers. Search and Care is a non-sectarian, 501(c)(3) not-for-profit registered in the State of New York. We serve any older person age 60+, regardless of gender, race, religion, creed or economic capabilities.
